

# **HILDER ROAD STATE SCHOOL STUDENT COMPUTER / INTERNET AGREEMENTS**

Dear Parents / Guardians

We ask that as a family you read and discuss these guidelines and conditions. They have been developed to ensure you and your student understand the guidelines and responsibilities related to the use of computers and access to the Internet in our school.

## **GUIDELINES FOR COMPUTER / INTERNET USE**

- ◆ Students, parent / guardians will need to read and sign this form before students are allowed to use school computers
- ◆ School computers are used with the supervision of a staff member or authorised adult
- ◆ Students are to use the computers / computer network in a responsible manner (as per these guidelines and classroom rules)
- ◆ Students are to enter their password and log on to computers before use, if applicable
- ◆ Students are not permitted to bring disks from home. Students from Years 5 to 7 can purchase USB drive from the school
- ◆ Students should use the computers / Internet for specific tasks approved by supervising teachers or authorised adults
- ◆ Students are to use only the existing software on the computers
- ◆ Food and drink are not permitted near computers
- ◆ Students are to report any irresponsible activities to adult supervisors immediately
- ◆ Students are to report any technical problems encountered with equipment to adult supervisors
- ◆ Students should not reveal personal details or the details of fellow students when on the Internet
- ◆ The Internet should not be used to offend others or to search for illegal, dangerous or offensive material
