

**HILDER ROAD STATE SCHOOL
LIBRARY FUND 2009**

The Hilder Road State School Library Fund is designed to assist with the provision of literacy resources, equipment and facilities that will directly enhance the literacy learning environment for all our students. **The focus for 2009 will be the purchase of furniture and resources to outfit the Library extension.**

Why a Library Fund?

Many parents have expressed a desire to ensure the best possible learning environment and resources are available for our children. The Library Fund is a way of doing that with the added attraction of a benefit for parents.

Hilder Road is a model school in terms of educational resources and environmental facilities available for our children. We wish this to continue.

Hilder Road State School has had various forms of learning enhancement schemes in place over a number of years.

By contributing to the Library Fund, parents are able to make a donation and **receive a tax deduction.**

In addition to parent contributions, the P&C Association also contributes significant funds towards school resources after various fundraising activities throughout the year.

Payment Schedule

The Library Fund minimum contribution for 2009 is \$60 per student with a maximum of \$120 per family. Parents should indicate their intention to contribute by completing the form below and forwarding the slip and payment to the school office.

Under Australian Taxation Office regulations the Library Fund is required to use a separate accounting system to that of the Education Queensland's accounting system and therefore necessitates a separate bank account. Payment can be made by cash, credit card, or cheque. Cheques should be made payable to **Hilder Road State School Library Fund.** A receipt will be issued for tax purposes on receipt of payment.
